

OAK RIDGE NORTH ECONOMIC DEVELOPMENT CORPORATION SPRUCE GRANT POLICY

The purpose of the SPRUCE Grant Program is to encourage visual improvements to existing commercial properties, which add to the economic well being of the city.

Oak Ridge North Economic Development Corporation (ORNEDC) will consider awarding grants to applicants that demonstrate in their applications that improvements to businesses or commercial property within the city limits meet the purposes of the grant program. SPRUCE Grant awards and the amount of such awards will be at the sole discretion of the ORNEDC board.

Grants will focus on the following general guidelines:

1. All grants are subject to the execution of a Performance Agreement by both parties.
2. Grants to reimburse costs for visual improvements will be awarded up to a maximum of \$10,000 per address on a two-to-one matching ratio. For example, \$2,000 from the property owner and \$1,000 from an ORNEDC grant, for a project costing \$3,000.
3. Only costs from a vendor for purchased labor or materials will be recognized for matching funds. Costs for the applicant's employee labor or in-stock materials are not eligible for reimbursement.
4. Awards will be limited to one SPRUCE Grant per fiscal year per address.
5. In order to qualify, a proposed project must start after grant approval and be completed within six months of the award. ORNEDC may, at its sole discretion, extend the period of performance.
6. All plans must be submitted to city for proper approvals and proper city permits.
7. The City Manager or ORNEDC representative will verify start of work and completion of work.
8. No grant reimbursement funds will be paid until the project is complete. Cost incurred prior to the date of the grant approval will not be recognized for matching funds.
9. The SPRUCE Grant is a reimbursement for work completed and paid by the grant awardee. ORNEDC will not be liable to any contractor or supplier for work provided to a grant awardee.

Grants will be awarded using the following criteria:

1. The impact of the proposed project on commercial revitalization and/or the potential tax revenues generated for the City.
2. The track record of the applicant for successfully operating a business.
3. To provide incentive for a business to remain in the City of Oak Ridge North.
4. Creation of jobs.

3. Upon grant approval, grant recipient and EDC Board President will sign Performance Agreement.
